SwaddleDesigns is a trusted blanket brand loved by new and experienced parents for the quality, style, affordability, and longevity. In addition to manufacturing locally and offering a certified organic collection, SwaddleDesigns uses many domestic fabrics, sustainable fibers, recycled fibers, and recyclable packaging. The [SwaddleDuo](#) is an awesome gift for mom-to-be! They've made it easy for you by bundling two lightweight, breathable and soft cotton swaddling blankets. A marquisette blanket for warm weather and a flannel blanket for cool to moderate temperatures. I know I was not the best at remembering how to swaddle correctly, but they've made that easy too because both blankets feature their exclusive 123 Swaddle instructions sewn on the edge of the blanket.

Little Me Footies

Known for quality product, Little Me is a collection of infant/toddler apparel that is affordable and fashionable. Enjoy sleep or play time when your newbie wears these [adorable footies](#)! In adorable gender specific and gender neutral prints, no matter if you're Team Blue, Pink, or Green your newest addition will be the cutest thing in your life.

Dots on Tots

This is the perfect cute product that also protects your newborn in the cold, winter weather. Dots on Tots created a

product to help protect your baby's ears, nose and throat. When you're taking your little one out in the cold you can protect him/her from illness. The innovative hat design of [Dots on Tots](#) features flaps that serve to protect infants and toddlers from cold weather, wind, and ear, nose and throat infections. The brand also offers special ear protection hats that feature an added benefit of 50% noise-reduction ear inserts, shielding infants and toddlers' delicate ears from loud sounds. All hats are 100% organic, eco-friendly and made in the USA.

Haute Baby

The perfect gift for moms expecting a baby girl is right here! Haute Baby has a wide selection of beautiful and high quality dresses and sets for baby girl. Their take me home sets are so beautiful, nothing will compare to them. The fabric is so soft and full of color and detail, it's exactly what mommies want their little girls to wear! [Haute Baby](#) also pays very close attention to details to make every outfit perfect, with just the right touch of adorable.

Jammies by Helene Laure

These sweet pajamas are made for babies preemie through size 9 months. Jammies are made with super soft cotton and adorable prints for boys, girls, and gender neutral. They arrive in a recyclable jam jar that can be used later to store future treasures. Jammies by Helene Laure also donates 10% of the proceeds to Postpartum Progress, an organization dedicated to helping mothers and babies who struggle with postpartum depression.
